**MHDS**

Oversight, state standards

Build a mental health & disability system

**Regions**

**Management**

- Iowa Chapter 331-include children's MH services ---
- identify core service domains
- Move MHDS to IDPH
- identify a funding stream for the children's mental health system

Both systems  
Side by side to assist with Transition

**Adult System**

**Childrens System**

Both systems need a continuum of care

**Governance body**  
County Supervisors

**Governance body**  
System of Care

**Advisory Committee**

**Advisory Committee**

**Education partners**  
Schools & Therapeutic Schools
